

Press Release.

30 March 2011.

The logo for Writing West Midlands features the word "writing" in a bold, lowercase, yellow sans-serif font. Below it, the words "WEST MIDLANDS" are written in a smaller, uppercase, white sans-serif font. The entire logo is set against a solid black rectangular background.

National Portfolio Application Decision

Writing West Midlands is delighted to be awarded funding for the years 2012-15 and take on National Portfolio Status with Arts Council England. We offer our thanks to our supporters and partners and our thoughts to those who face tougher economic realities.

The funding award presents an opportunity and responsibility to continue our commitment to the development and delivery of literature activity in the West Midlands, as well as driving and supporting the writing ecology regionally and nationally.
